LINE 1010 - VOICE SERVICES RATE COMPARABILITY

The Wireline Competition Bureau's most recent reasonable comparability benchmark for voice services is \$47.48, which includes the federal subscriber line charge ("SLC").

In all of the exchanges served by the LaValle Telephone Cooperative, Inc., the single-line residential local rate, including any mandatory extended area service charge, is \$17.00. When the federal SLC (\$6.50) and other state fees are included, the rate becomes \$23.97. Therefore, the Company's pricing of fixed voice services is less than the reasonable comparability benchmark of \$47.48.

PSC 160.08 Telecommunications customer assistance program.

The commission may authorize individual telecommunications providers to establish telecommunications customer assistance programs that meet authorized goals and objectives for increasing or stabilizing subscription levels for non-optional, essential telephone service within its service territory or to address avoidance of disconnection or limitation of service to low-income households with payment problems. Such programs may allow a provider to not make available certain essential services, as defined in s. <u>PSC 160.03(2)</u>, in order to preserve at least minimal telephone service to certain low-income households with payment problems. The commission shall determine on a case-by-case basis whether or not a telecommunications customer assistance program may receive universal service fund monies.

Low-Income Telephone Assistance

Lifeline Programs

Telephone service is considered a necessity for daily modern life, yet the cost of activating and maintaining such service may be prohibitively expensive for low-income consumers. Under Congressional mandate, the Federal Communication Commission's (FCC) Federal Universal Service Fund includes the Low-Income Program discounts on telephone services to qualifying consumers. Our Cooperative participates in this telephone discount program.

Applying for Benefits

Applicants need to certify their eligibility to receive the program's benefits by proving participation in any of the following programs:

- Wisconsin Works (W2)
- Food Stamps/SNAP
- · Medical Assistance (MA), Medicaid
- · Badger Care
- · Supplemental Security Income (SSI)
- Low Income Energy Assistance Program (LIEAP)
- · Wisconsin Homestead Tax Credit (Schedule H)
- · National School Lunch Program (Free Lunch Program)
- Federal Public Housing Assistance or Section 8
- · Income at or below 135% of Federal Poverty Level

Applicants simply complete an Information Release Authorization Form which is available in the business office. We then verify all applications with the necessary government office: Wisconsin Department of Health and Family Services, Department of Workforce Development and the Department of Revenue. Once verified, we will provide a single telephone line service (one per household) to the customer at the program's monthly discounted rate.
